OBJECTIVE

Prevent Cyber Attacks

Nations, criminals, and hacktivists carry out attacks on innocent victims. Preventing these makes the world more secure.

Effective	2
Responsible	2

OBJECTIVE

Counter Hostile Malware

Uncontrolled malware is used across the world to do damage. Cyber operations can control the spread of malware and protect people.

Effective	3
Responsible	1

OBJECTIVE

Support Law Enforcement

Cyber operations can be used to track down criminals, expose their activities and protect innocent people.

Effective	4
Responsible	1

OBJECTIVE

Disrupt Online Criminals

Stopping online criminals from carrying out their operations means innocent people can use the internet safely.
